BSF is for those new to the Bible as well as the spiritually mature. We invite anyone who wants to deepen their relationship with God through studying His Word.

All around the world, groups of men, women, young adults, students, and children gather around God's Word to explore what it says and how it speaks to their lives today.

BSF Distinctives

Our ministry is built upon these pillars.

Leaders

More than 50,000 dedicated leaders make BSF's global impact possible, playing a vital role in teaching, training, and mobilizing individuals.

Training

BSF prioritizes weekly role-specific training for all leaders, ensuring they are well prepared to serve in BSF and their local churches.

Community

BSF brings together individuals from various backgrounds and denominations to study the Bible. We believe certain aspects of spiritual growth only happen in community, which is why members gather for weekly discussion, fostering fellowship and shared learning.

Doctrine

BSF's approach to teaching doctrine defines, explains, connects, and applies God's Word to real life. Each week, we encourage

members to examine whether they are truly living out their beliefs.

The Church

BSF supports local churches by preparing leaders to serve in their church. We also dedicate a portion of our contributions to churches who host BSF groups.

Teaching

BSF is committed to the expository teaching of God's Word. Our four-fold approach to Bible study helps members explore and examine Scripture, and also develop the practical skills to apply its teaching to their daily lives.

Meet God in
His Word today.
